

### **REMARKS**

Claims 1 and 19 have been amended in order to comply with the Examiner's objection (claim 19) and rejections (claims 1 and 19). The amendment of these claims do not introduce new matter and are merely editorial or typographical in nature.

Since the drawings originally filed were informal, the formal drawings are now being filed herewith together with a letter to the official draftsman to substitute the informal drawings with the formal drawings. No changes have been made in the drawings, therefore approval of the Examiner is requested.

In view of the foregoing amendment, a favorable action is requested on claims 1-33, which are all the claims in this application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'James W. Badie', is written over a horizontal line.
